

## Flash Drive Silicon Power 128GB Blaze B02 USB3.0 SP128GBUF3B02V1K Black

Šifra: 22106

Kategorija proizvoda: USB flash memorije

Proizvođač: SILICON POWER

**Cena: 1.030,00**

|                       |                                                                                                                                                                                                                                                 |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Capacity              | 128GB                                                                                                                                                                                                                                           |
| Dimensions            | 60.6 x 18.0 x 8.1mm                                                                                                                                                                                                                             |
| Weight                | 8g                                                                                                                                                                                                                                              |
| Material              | Plastic                                                                                                                                                                                                                                         |
| Color                 | Black                                                                                                                                                                                                                                           |
| Interface             | USB 3.2 Gen 1 (USB 3.1 Gen 1 & USB 3.0, USB 2.0 backwards-compatible)                                                                                                                                                                           |
| Durability            | 10,000 insertions                                                                                                                                                                                                                               |
| Supported OS          | Windows 10/8.1/8/7/Vista/XP, Mac OS 10.3.x o posterior, Linux 2.6.x o posterior<br>*Transfer speeds fluctuated or dropped when I copied/moved files to USB drive on a Windows 10 system. Please click <a href="#">here</a> for more information |
| Operating Temperature | 0°C-70°C                                                                                                                                                                                                                                        |
| Storage Temperature   | -40°C-85°C                                                                                                                                                                                                                                      |
