DeepCool AG400 BK ARGB UNI CPU kuler 220W 120mm 2000rpm 75CFM LGA1700/1200/1151/1150/1155/AM5/AM4

AG400 BK ARGB The

Šifra: 36656
Kategorija prozivoda: Ventilatori
Proizvođač: DEEPCOOL

Cena: 4.450,00

DeepCool AG400□BK□ARGB is a single tower 120mm CPU cooler that builds upon our legacy for high-quality cooling performance but stripped down for a streamlined and efficient package.

GAMMAXX SERIES
AG400□BK□ARGB
Efficient 4 Heat Pipes CPU Cooler
The DeepCool AG400□BK□ARGB is a single tower 120mm CPU cooler that builds upon our legacy for high-quality cooling performance but stripped down for a streamlined and efficient package.
Stellar Thermal Performance
Enjoy better system performance by keeping things cool with up to 220W of heat dissipation power featuring four direct touch heat pipes that rapidly draw heat away from the CPU.

FAN LOCK MOUNTING SYSTEM
When installing the AG400□BK□ARGB, the fan does not need to be disassembled during the process, simplifying and saving time.
Balanced Bidirectional
Heat Pipe Technology
By optimizing the internal capillary structure and injecting a precise amount of liquid, the heat pipe achieves the best heat dissipation performance regardless of whether the cooler is in a vertical or horizontal case. This perfect ratio facilitates a highly efficient phase change throughout the heat pipe and achieves lower thermal resistance over a wide TDP range.

High Efficiency Fans
Find your optimal balance with automatic PWM support for full performance under load to silent efficiency at idle.
500-2000 RPM
?31.6 dB(A)
75.89 CFM
Matrix Fins Array
High-quality aluminum fins on the heat sink are densely stacked for ideal heat dissipation and which also features a unique "checkerboard" design aesthetic.
Simple and Secure
The included mounting brackets support both Intel and AMD platforms with an easy five-step installation process that maintains great contact pressure. The offset design of the heat pipes ensures that the cooler can be installed with the fan already attached.
Application For
Intel
LGA1700/1200/1151/1150/1155
AMD
AM5/AM4
Technical Spec
Product Dimensions 125×92×150 mm

Heatsink Dimensions 120×92×150 mm
Net Weight 614 g
Heatpipe O6 mm×4 pcs
Fan Dimensions 120×120×25 mm
Fan Speed 500~2000 RPM±10%
Fan Airflow 75.89 CFM
Fan Air Pressure 2.53 mmAq
Fan Noise ?31.6 dB(A)
Fan Connector 4-pin PWM
Bearing Type Hydro Bearing
Fan Rated Voltage 12 VDC
Fan Rated Current 0.28 A
Fan Power Consumption 3.36 W
LED Type Addressable RGB LED
LED Connector 3-pin(+5V-D-G)

Cene su informativnog karaktera. Prodavac ne odgovara za tačnost cena iskazanih na sajtu, zadržava pravo izmena cena. Ponudu za ostale artikle, informacije o stanju lagera i aktuelnim cenama možete dobiti na upit. Plaćanje se isključivo vrši virmanski - bezgotovinski.
