

## Cooler Thermaltake Toughair 510 170W, 2x120mm PWMCL-P075-AL12TQ-A

Šifra: 37982  
Kategorija proizvoda: Kuleri i oprema  
Proizvođač: Thermaltake

Cena: **5.840,00**

|                         |                                                                       |
|-------------------------|-----------------------------------------------------------------------|
| P/N                     | CL-P075-AL12TQ-A                                                      |
| COMPATIBILITY           | Intel LGA 1700/1200/1156/1155/1151/<br>AMD AM5/AM4/AM3+/AM3/AM2+/AM2/ |
| DIMENSIONS              | 123.6 x 98.8 x 159.5 mm ( L x W x H)                                  |
| HEATSINK MATERIAL       | Aluminum Fins<br>Copper<br>Heatpipes                                  |
| HEATPIPE                | 6mm x 4 pcs                                                           |
| FAN DIMENSION           | 120 x 120 x 25 mm ( L x W x H)                                        |
| FAN QUANTITY            | 2 pcs                                                                 |
| FAN SPEED               | PWM 500 ~ 2000 RPM                                                    |
| RATED VOLTAGE           | 12V                                                                   |
| START VOLTAGE           | 6.0 V                                                                 |
| RATED CURRENT           | 0.48 A                                                                |
| POWER INPUT             | 5.76 W (one fan)                                                      |
| AIR FLOW                | 58.35 CFM (one fan)                                                   |
| STATIC PRESSURE         | 2.41 mm-H2O (one fan)                                                 |
| ACOUSTICAL NOISE        | 23.6 dBA                                                              |
| LIFE TIME/FAN LIFE TIME | 40,000 hours                                                          |
| PIN CONNECT             | 2510 - 4Pin                                                           |
| COOLING POWER           | 180 W                                                                 |
