

## Ventilator za kuciste 120x120 Fractal Design Dynamic X2 GP-12 PWM, FD-FAN-DYN-X2

Šifra: 60648  
Kategorija proizvoda: Ventilatori  
Proizvođač: Fractal Design

**Cena: 1.780,00**

|                               |                                                                                                                                                                     |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Model:                        | Dynamic X2 GP-12 PWM, FD-FAN-DYN-X2                                                                                                                                 |
| Velicina:                     | 120 x 120 x 25 mm                                                                                                                                                   |
| Protok vazduha:               | 87.6 CFM                                                                                                                                                            |
| Broj obrtaja:                 | 500 – 2000 RPM                                                                                                                                                      |
| PWM:                          | DA                                                                                                                                                                  |
| RGB:                          | Ne                                                                                                                                                                  |
| Naponski prikljucak:          | 4-Pin (12V 1.68W)                                                                                                                                                   |
