NB Lenovo ThinkBook 16 G7 U7-155H32GBM.2  
1TB SSD16" WUXGAWin11Pro21MS005DYA

Šifra: 75083  
Kategorija proizvoda: Laptopovi  
Proizvođač: LENOVO

Cena: 122.290,00

|                   |                                                                                                                     |
|-------------------|---------------------------------------------------------------------------------------------------------------------|
| Procesor          | Intel® Core™ Ultra 7 155H, 16C (6P + 8E + 2LPE) / 22T, Max Turbo do 4.8GHz, 24MB                                    |
| NPU               | Intel® AI Boost integrisan u Intel Core™ Ultra procesor, up to 11 TOPS                                              |
| Grafika           | Integrisana Intel® Arc™ Graficka Funkcija kao Intel Grafika                                                         |
| Cipset            | Intel® SoC Platforma                                                                                                |
| Memorija          | 2x 16GB SO-DIMM DDR5-5600                                                                                           |
|                   | 2x DDR5 SO-DIMM slotova, dual-channel capable                                                                       |
|                   | Maksimalno 64GB DDR5-5600                                                                                           |
| SSD               | 1TB SSD M.2 2242 PCIe® 4.0x4 NVMe®                                                                                  |
|                   | Do dva drajva, 2x M.2 SSD • M.2 2280 SSD do 2TB                                                                     |
|                   | 2x M.2 2280 PCIe® 4.0 x4 slotova                                                                                    |
| Citac kartica     | SD Citac kartica                                                                                                    |
| Optika            | Ne                                                                                                                  |
| Audio cip         | High Definition (HD) Audio, Realtek® ALC3287 kodek                                                                  |
| Zvucnici          | Stereo zvucnici, 2W x2, Dolby Audio™                                                                                |
| Kamera            | FHD 1080p + IR Hybrid sa Privacy Shutter                                                                            |
| Microfone         | 2x, Array                                                                                                           |
| Baterija          | Integrisana 71Wh                                                                                                    |
| Punjac            | 100W USB-C® Slim (3-pin)                                                                                            |
| Displej           | 16" WUXGA (1920x1200) IPS 300nits Anti-glare, 45% NTSC, 60Hz                                                        |
| Touchscreen       | Ne                                                                                                                  |
| Tastatura         | SRB, osvetljena sa numerickim delom                                                                                 |
| Touchpad          | Buttonless Mylar® surface multi-touch touchpad, supports Precision TouchPad (PTP), 75 x 120 mm (2.95 x 4.72 inches) |
| Boja              | Arctic Siva                                                                                                         |
| Materijal kucista | Aluminjium (Top), PC-ABS (Bottom)                                                                                   |
| Dimenzije         | 356 x 253.5 x 17.5 mm (14.01 x 9.98 x 0.69 inches)                                                                  |
| Tezina            | 1.7 kg (3.75 lbs)                                                                                                   |
| Operativni sistem | Windows 11 Pro                                                                                                      |
