

SVGA Palit GeForce RTX5090 GameRock OC  
32GB GDDR7, NE75090S19R5-GB2020G

Šifra: 84483  
Kategorija proizvoda: Grafičke kartice  
Proizvođač: PALIT

Cena: **316.510,00**

|                              |                                                                                                                                                                                                       |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Grafički chip:               | RX 5090 (boost 2527 MHz)                                                                                                                                                                              |
| Memorija:                    | 32GB GDDR7 28 Gbps                                                                                                                                                                                    |
| PCI-E:                       | 5.0                                                                                                                                                                                                   |
| Video Izlazi:                | 1x HDMI, 3x DP2.1b                                                                                                                                                                                    |
| Maksimalna rezolucija        | 4K at 480Hz or 8K at 120Hz with DSC                                                                                                                                                                   |
| Dimenzije:                   | 331.9 x 150 x 70.4 mm                                                                                                                                                                                 |
| Graphics Card Power          | 600W                                                                                                                                                                                                  |
| Preporuceno napajanje        | >1000W                                                                                                                                                                                                |
| Naponski priključak          | 16-pin x1                                                                                                                                                                                             |
| U pakovanju                  | <a href="#">Power Cable, ARGB Cable, VGA Holder, Holder Extender</a>                                                                                                                                  |
