

SVGA Zotac GeForce RTX 5080 SOLID OC 16GB  
GDDR7 256bit, ZT-B50800J-10P

Šifra: 85956  
Kategorija proizvoda: Grafičke kartice  
Proizvođač: ZOTAC

Cena: 200,00

|                              |                                                                                                                                                                                                     |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Graficki procesor            | RTX 5080                                                                                                                                                                                            |
| Radni takt GPU-a             | 2640 MHz (bazni takt)                                                                                                                                                                               |
| Memorija                     | 16GB GDDR7 256-bit 28 Gbps                                                                                                                                                                          |
| Hladnjak                     | 3 x IceStorm 3.0 (3,5 slot)                                                                                                                                                                         |
| PCI-E standard               | PCIe 5.0                                                                                                                                                                                            |
| HDMI                         | HDMI 2.1b x 1                                                                                                                                                                                       |
| DisplayPort                  | DP2.1b x 3                                                                                                                                                                                          |
| Maksimalna rezolucija        | 4K at 480Hz or 8K at 120Hz with DSC                                                                                                                                                                 |
| Priključci za napajanje      | 1 x 12v-2x6                                                                                                                                                                                         |
| TBP                          | 360W                                                                                                                                                                                                |
| Preporuka za napajanje       | 850W 80+Bronze minimum!                                                                                                                                                                             |
| Dimenzije                    | 329.7mm x 137.8mm x 67.8mm                                                                                                                                                                          |
