

HP 250R G9, Intel Core i5-1334U, 16GB DDR4-3200 RAM, 512GB PCIe NVMe SSD, 15.6" AG FHD 1920x1080, Intel Iris X Graphics, ( B3AB5AT )

Šifra: 98129  
Kategorija proizvoda: Laptopovi  
Proizvođač: HP

Cena: **54.600,00**

|                              |                                                                                                                               |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| OS:                          | Free DOS                                                                                                                      |
| RAM memorija:                | 16GB; DDR4-3200;                                                                                                              |
| Ekran:                       | 15.6"; LED; FHD (1920x1080);<br>Anti-Glare;                                                                                   |
| Notebook serija:             | HP 250R G9                                                                                                                    |
| Tip grafičke kartice:        | Integrirana                                                                                                                   |
| Processor:                   | Intel Core i5                                                                                                                 |
| RAM.:                        | 16 GB                                                                                                                         |
| SSDHDD:                      | 512 GB                                                                                                                        |
| Ekran.:                      | 15,6"                                                                                                                         |
| Boja :                       | Dark ash silver                                                                                                               |
| Masa:                        | 1.74 kg                                                                                                                       |
| Baterija:                    | 3 Cell Lithium-Ion                                                                                                            |
| Front kamera:                | HD720p                                                                                                                        |
| Model procesora:             | Intel® Core™ i5-1334U (up to<br>4.6 GHz with Intel® Turbo Boost<br>Technology, 12 MB L3 cache, 10<br>cores, 12 threads)       |
| Konektori i dodaci:          | RJ-45 (ethernet); 2-in-1 audio<br>jack (headphone and mic); 1x<br>HDMI 1.4b; 2x USB 3.1 Gen 1<br>USB 3.0; 1x USB-C 3.2 Gen 1; |
| Mreža:                       | Wi-Fi wireless; Bluetooth 5.2;                                                                                                |
| Optički uređaj:              | Nema                                                                                                                          |
| Hard disk ugrađena memorija: | 512 GB PCIe® NVMe™ SSD;                                                                                                       |
| Grafička kartica :           | Intel Iris Xe Graphics                                                                                                        |
| Operativni sistem:           | Free DOS                                                                                                                      |
| Ostalo :                     | Lokalizacija: YU                                                                                                              |
| Tip procesora:               | Intel Core i5                                                                                                                 |
